Plants for Pongos!!

(Orangutans eat plants,
we sell plants.)

The Great Ape Keeper Team, Docents, Volunteers, and Staff of the Los Angeles Zoo and Botanical Gardens are raising funds to host the 7th Annual Orangutan Species Survival Plan Husbandry Workshop in October. This is an honor for our Zoo and an excellent learning opportunity for Orangutan experts the world over. We hope you will help support this important project!

Plant Sale and Garden Boutique

Sunday, September 15th – noon to 3:00

536 North June Street, Hancock Park, 90004

Succulents, perennials, patio plants & lots more

Garden art and gifts

Reasonable prices!
