

From **Fired** to **Hired**

The New CEO's Guide to "You, Inc."

Santa Clarita
Wednesday
Oct. 15
2008

Lost your job? You have decisions to make. You can get angry or depressed or take control of your future. Life goes on. Stakeholders count on you. You have abilities that others need. Here is your reality. You are not out of work, you are still in charge of You, Inc. As its Chief Executive Officer, you have one mission: to get You back to productive work quickly.

This course is your guide to getting that done. In just a few hours you will be on a path to renewed success. This course will kick-start you toward new career opportunities.

You should attend if...

- **You recently lost your job**
- **Your job loss is eminent**
- **Your company was acquired**
- **Your company is shrinking**
- **Your industry is failing**
- **You want to relocate**
- **Your career is stalled**

Learn how to...

- ✓ **Quickly assess your assets**
- ✓ **Position your strengths**
- ✓ **Identify new contacts**
- ✓ **Search more effectively**
- ✓ **Meet more prospects**
- ✓ **Make yourself desirable**
- ✓ **Raise your value**
- ✓ **Attract offers**

What others say...

"You have great insight, and everyone should learn from you." M.G

"If you can't sit down with Mitch 1-to-1, this is the next best thing." J.K.

"Inspirational, informative" D.W
